

Making Neighborhood Connections

The CWNA is the eyes and ears of your neighborhood. It sees and hears what is happening on your block, in the neighborhood and in the surrounding area.

What CWNA does for you ...

Over the years, the CWNA has been successful at resolving issues, improving safety, offering a forum for open discussion, connecting people at social activities, keeping us informed and improving our quality of life.

At the meeting you will:

- * Be informed about future plans that impact our area.
- * Help determine CWNA 2008 goals and priorities
- * Show commitment to the future of your neighborhood
- * Learn about the work of the CWNA in the areas of:
 - Safety and crime awareness
 - Fun social activities
 - Improving quality of life
 - Neighborhood history
 - Communications and neighborhood image

Coordinated by the CWNA Membership Team.
